WHY VISIT?

The two main attractions of this region are the whisky distilleries and the castles. Throw in some fishing in the River Dee (one of the most famous salmon fishing rivers in the world), some mountain biking, walking tours of Stonehaven and Dunnottar Castle, a 'wee fish and chips' and you've got yourself a great programme!

BEST FOR

Aberdeenshire is best suited to smaller 4* groups with flight links into Aberdeen and who have lower budgets.

It's a great place to be based if you want to experience typical elements of Scottish traditions, in a relaxed environment.

EXCLUSIVE

We can arrange an exclusive 5* dinner set among regimental treasures spanning 200 years at the Gordon Highlanders Museum.

Stop off at a hidden basement bar for a private gin or whisky tasting on the way!
