

AYRSHIRE

AWESOME AYRSHIRE

Ayrshire may be off the beaten track for incentives, but with its beautiful coastline, abundance of castles and historic links to Rabbin Burns, it's a gem that shouldn't be overlooked.

The area is renowned for its local produce, including whisky, ice cream, candles, farm product and top brands such as Arran Aromatics and Hendricks are crafted here.

WHY VISIT?

A well balanced incentive is no problem here. You can mix history and culture with excellent golf, fishing, sailing, a day at the races, castle visits and more.

From day trips by boat to the Isle of Arran, to night trips to Galloway Forest Dark Sky Park - the first in Europe - incentive groups won't be disappointed with their Ayrshire experience.

BEST FOR

This area is best suited for smaller groups looking for castle-style or stately home venues.

It's great for groups that are looking for a wide range of different experiences (active to relaxed; fun to informative) in a unique part of Scotland.
